

Introduction to Windsurfing

(www.sailwet.com)

Come experience the thrill of windsurfing at

Hampton's Mill

Creek at Fort Monroe

Saturday June 10th and

Saturday July 15th, 2023

11:00-2:30pm

**Follow-up Sail: Saturday
July 22nd**

Instruction by

experienced WET windsurfers. Just bring your desire to learn.

Each Intro is limited to a maximum of 20 students.

Students must be at least the age of 15.

Bring: swimsuit, sunscreen, drinking water, and snacks. Foot protection in the form of old tennis shoes or booties is required and will not be provided.

Directions from I-64W from Norfolk:

Take the first exit (268) after coming off the Hampton Roads Bridge-tunnel.

Directions from I-64E from Hampton:

Take the last exit (268) before going onto the Hampton Roads Bridge-tunnel. Turn left at the light and proceed to the next light. Turn right onto Mellen Street and across small bridge. At the entrance to Fort Monroe cross light and then left on Eustis Ln. We will normally launch at the Entrance launch area (see

photo below). Turn left on Stillwell (ignore sign saying no left Turn).

Registration:

\$50 on site, \$45 for pre-registration received by the Wednesday before the Intro. Covers all the equipment. Registration is on a first-come, first-served basis. Also, there will be weekend sailing days during July & August with WET volunteers available to help sailors who have attended the Intros. Payment and registration information is at
