

Introduction to Windsurfing

(www.sailwet.com)

Come experience the thrill of windsurfing at

Hampton's Mill
Creek at Fort Monroe
**Saturday June 13th and
Saturday June 20th, 2026
11:00-2:30pm**

**Follow-up Sail: Sunday
July 12th and July 19th**

Instruction by certified

WET instructors. Just bring your desire to learn.

Each Intro is limited to a maximum of 20 students.

Students must be at least the age of 15.

Bring: swimsuit, sunscreen, drinking water, and snacks. Foot protection in the form of old tennis shoes or booties is **required** and will not be provided.

Directions from I-64W from Norfolk:

Take the first exit (268) after coming off the Hampton Roads Bridge-tunnel.

Directions from I-64E from Hampton:

Take the last exit (268) before going onto the Hampton Roads Bridge-tunnel. Turn left at the light and proceed to the next light. Turn right onto Mellen Street and across small bridge. At the entrance to Fort Monroe cross light and then left on Eustis Ln. We will normally launch at the Entrance launch area (see

photo below). Turn left on Stillwell (if it is blocked by cones just go up the road and do a u-turn and head back to the parking area near the Entrance launch area).

Registration:

\$50 on site, \$45 for pre-registration received by the Wednesday before the Intro. Covers all the equipment. Registration is on a first-come, first-served basis. Also, there will be weekend sailing days during July & August with WET volunteers available to help sailors who have attended the Intros. Payment and registration information is at

<https://www.sailwet.com/lintr/>
